Tablao Cordobés

Barcelona, Spain

La Rambla is one of the most famous streets in Spain (it is really a sequence of 3 boulevards/streets joined together). Sooner or later everyone exploring Barcelona will end up walking along and enjoying this 60 feet wide walkway.

Barri Gotic is a fantastic area of Barcelona, just off La Rambla main area. It's the center of the old city of Barcelona. The area is like a labyrinth, full of small, narrow streets and squares. Even though they have built new buildings in the area there are still many of them that date back to Medieval times.

There are countless of places to eat along La Rambla, so you can pick and choose as you like.

Spend an evening at Tablao Cordobes eating good food and watch a flamenco show. The Spanish and Catalan food is included in the price of the show, just make sure you can book a table online to confirm a spot – as it's very popular.
